God of Bath
19

I received a pay raise along with my promotion from a probationary apprentice to a regular employee.

As soon as I received my first paycheck, I moved out of my tiny one room dorm to a duplex studio

Monthly rents are a little dear— but the chairman has cleared my debt..

And now... I'm one of the regular staff on full benefits...

HAHAHAHAHAHAHAHAHAHA!

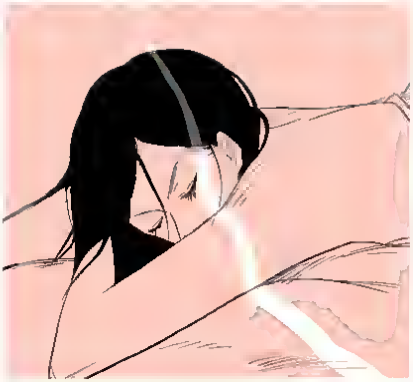
- My Morning -

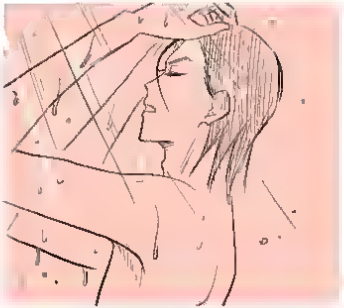


When the light breaks through the curtains, I wake up naturally without being tormented by any ear-splitting alarms.

And so begins another *good morning life!*

Sweet aroma wafting from the coffee machine brings me out of a sleepy daze.

then I have a morning shower, surrendering myself to the drizzles at 36 degrees C



Breakfast is a simple affair of espresso, onion bagels and Belgian-style waffles

And the jacket I bought yesterday..

Looks even better fitting today...!

So begins another spirited day!

I hope everyone also has a good day!
